Located on Rue Pierre Krier, in the heart of the Bonnevoie neighborhood, your Unicorn real estate agency is offering this two-bedroom apartment for sale. It enjoys a particularly convenient location, close to shops, schools, public transportation, and everyday amenities.

Set in a 1960s apartment building, the apartment consists of a living room, a kitchen, two bedrooms, a bathroom, and two balconies.

In need of complete renovation, this property offers the opportunity to redesign the spaces and create an interior to your liking.

A large, enclosed garage completes this property, providing added convenience for everyday life.

Its main advantage lies in its location, within a lively, residential neighborhood that is well-connected and offers easy access to the train station and downtown Luxembourg.

An attractive opportunity for a first-time buyer or a real estate investment.
