Ideally located near all the shops in Strassen, your Unicorn real estate agency is pleased to present you a splendid apartment in a recent and perfectly maintained residence.

Located on the third and last floor, it welcomes us with an entrance hall with storage space leading to the living room. Bright thanks to the many large windows and the bay windows of the terrace of 10m2, it offers a soothing living environment. The living room is open to the fully equipped Möbel Alvisse kitchen (installation in progress).

The bedroom, accessible from the living area, has a shower room separated by a sliding glass door. This one, entirely new, offers an Italian shower, a WC as well as storage space. A dressing room of +/- 5m2 accompanies the night space.

A cellar as well as a parking space accompanies the whole.
