Charming house for sale in Strassen.

Located just a short walk from Luxembourg City, your Unicorn real estate agency is pleased to present this magnificent 20th-century house, full of charm, for sale. It is ideally situated on a quiet residential street.

Set on a 6.93-are lot, this house—open on three sides—will charm you from the moment you enter with its period features: colorful earthenware tiles on the walls, black-and-white checkered floors, and stunning cement tiles (Carosim style), an oak staircase, and more. A hallway leads to the kitchen and the living room. A bathroom completes this level.

To reach the upper floor, you'll take the beautiful period oak staircase. Five bedrooms in a row are located on this level.

The space extends into the attic, offering the possibility of converting it into two bedrooms or a living area.

This property also includes a closed garage, accessible from the home's entry hall.

A beautiful garden at the back of the house, complete with an outbuilding, immerses you in a bucolic setting just two minutes from town.

Renovation work is required.
