In Leudelange, in the heart of a sought-after neighborhood with excellent transport links, your Unicorn Real Estate agency is offering for sale the ground floor of a mixed-use building, complete with a detached house with garage, on a plot of over 8 acres along Rue de Cessange.

The commercial ground floor, with a surface area of approximately 300 m<sup>2</sup>, consists of a café with a party room and bowling alley, and a separate commercial space (former butcher's shop), complete with toilets and ancillary areas. These generous spaces offer multiple possibilities for use, whether for the continuation of an existing activity or for a commercial or professional conversion project.
